

POCKET-SIZED ACTIVITY PACKS FOR CURIOUS KIDS

About MindShot

MindShots, by **Digital Detox Kids**, are award-winning pocket-sized activity packs of puzzles, stickers / tattoos, challenges, lols and new-generation inspiration to stimulate young minds, boost confidence and help kids enjoy some creative screen-free fun.

MindShots are ideal for life on the move. No need for batteries or smartphone – just pop in a bag or pocket for kids to dive into imaginative play, anywhere, any time.

MindShots are a perfect till-point purchase and are supplied with branded display-box options. Stockists include the V&A Museum, Daunt Books and children's boutiques.

MINDSHOT SERIES

All series are available to buy in single-pack and gift-box options.

Series 1: Nature + Now (out now)

Award-winning **MindShot Nature + Now** helps kids support the planet across seven fun-filled packs, with our original character **Leafy** on hand to get wild! A percentage of profits goes to the charity **Born Free** and their mission to **Keep Wildlife in the Wild**.

Series 2: Me + Mine (new!)

MindShot Me + Mine celebrates a child's life, thoughts and feelings, across seven fun packs. Original character **L'il Love** is always ready to help. A percentage of profits supports the **Copenhagen Youth Project**, a London charity devoted to kids' wellbeing.

Series 3: Messing + Expressing (new!)

MindShot Messing + Expressing helps kids to use their senses to get creative across five imaginative packs, with characters **Lip**, **Sniff**, **Blink**, **Poke** and **Toot**. A percentage of profits helps **Kind**, a Liverpool charity devoted to kids' creative projects.

Series 4-7 (coming soon)

A further five **MindShot** series will build to a 'rainbow' of seven colour-coded sets on modern themes, each supporting a theme-appropriate, child-friendly charity.

MindShot awards

Nature + Now, our first MindShot series, won Silver in the Junior Design Awards 2022 in the Best Creative Play category.

Nature + Now also won Gold in the Made for Mums Toy Awards 2021 in the Best Portable / Travel Toy category.

Each MindShot:

- Is the price of a coffee or a pocket-money treat, at around £2.50 per Shot.
- Supports parents as an easy, portable alternative to handing over a phone.
- Contains puzzles, stickers / tattoos, Gen Z inspiration, challenges and lols.
- Can be slipped into a kid's pocket or parent's bag to be enjoyed on the go.
- Makes a perfect screen break everywhere from home to holiday.
- Keeps kids aged 6-10 engaged for around 20 minutes per Shot.
- Supports a theme-appropriate, child-friendly charity.
- Is illustrated by young artists, inspiring kids to discover the joy of creating.
- Promotes concentration, creativity, connectedness and confidence, all in one Shot.
- Is independently produced by a small company working to support an eco planet.
