

# BIG POTATO GAMES SNAKESSS

CHEAT  
SHEET

A multiple-choice question and only two minutes to work it out. The Snakes amongst you already know the answer – and they'll stop at nothing to keep you away from it.

Deal out the cards and try to answer a multiple-choice question with the rest of the players. The more people who get it right, the more points you'll cash in. Unless, of course, you've got one of the Snake Cards. All the Snakes already know the answer, so their job is a bit simpler. To score points, they'll have to sabotage the discussion and mislead the other players.

## CONTENTS

- 120 Question Cards
- 32 Answer Cards
