MEAN GIRLS: THE PARTY GAME

CHEAT SHEET

Get ready for a party game that's fresher than peppermint foot cream and filled with more secrets than Gretchen Weiner's hair.

Gather your friends, tear out a page of the Burn Book and pass it around as you take turns answering scandalous questions about each other. Oh, and the best part? It's all totally anonymous.

Well, most of the time it is anyway. At the end of the round, each player gets to pick an answer that they'd like to reveal. If you wrote it, you'll have to come clean in front of everyone – so maybe don't write anything that's too mean.

CONTENTS

- 100 Question Cards (double-sided, so 200 questions)
- 7 Cardboard Mats
- 2 Answer Pads
- 1 Score Pad

WHY YOU'LL LOVE THIS GAME

- **You can sit with us:** This is a game for everyone, not just super-fans. It's not about how well you know the movie, but about how well you know the people you're playing with.
- **The limit does not exist:** Although the game is designed for 4-8 players, you can easily go higher by adding a couple of extra Question Cards at the end.
- **You go, Glen Coco:** The writers at Big Potato watched and re-watched this movie 20+ times – just to make sure they covered every joke in there.

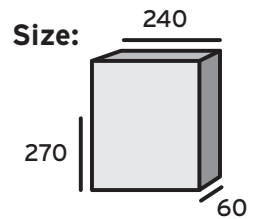

DID YOU KNOW?

Mean Girls: The Musical is poised for a big release in 2021 across the UK and USA. Parents get ready – a whole new generation is about to be introduced to Regina George and the plastics.
