

The image shows a square decorative box with a black and white floral pattern. The pattern consists of stylized, overlapping leaf-like shapes. In the center of the box is a white rectangular label with a thin black border. The text on the label is arranged in three lines: the first line is "a little box of", the second line is "Hugs" in a large, elegant script font, and the third line is "carry me with you and feel my love" in a smaller, simple sans-serif font.
