

# V E N T for change

Sustainable stationery with style.  
Protecting the planet and supporting children's education projects worldwide.

**Make A Mark A5 Recycled Leather Notebooks**  
Trade Price £5.40 RRP £12.99

Made in Italy using recycled leather and FSC certified sustainable paper

Combining impeccable eco credentials with a strong social philosophy. These Make a Mark notebooks are 100% sustainable and for each item sold VENT will donate to children's education projects worldwide. Available in 6 stunning colours the minimalist Make a Mark design is a simple play on words encouraging consumers to do their bit. Each notebook and journal is made using recycled leather covers and certified sustainable paper. Lined A5 notebooks and journals combining both lined and plain paper. Singer sewn stitch to the spine makes for a long lasting or genuinely recyclable end of life option.
