Made up of 25 beautifully illustrated, bright buildings, ready to be cut out and constructed, as well as a paper trees and even a little frozen lake to complete your village scene. Each building has its own door number, and you can enjoy finding and opening each one every day of Advent.

The Merry and Bright village includes lots of the lovely places you'd expect to find in such a Christmassy village - from a Rainbow Bakery, to a Gingerbread Man Adoption Centre - a candy cane factory and even an ice skate hire shop (to go with the label).
