NEW colour-in pyjamas!

Make bedtime fun...

Introducing our new colour your own pyjamas - complete with 10 super wash-out pens! In two of our most popular designs, this collection features colour-in dinosaur pyjamas and colour-in fairytales & legends pyjamas in a range of three children's sizes: 4-5 years, 5-6 years and 6-7 years.

Our colour your own pyjamas have a soft, cosy feel and these high quality pyjamas are made of 100% single jersey cotton with a colourful collar and cuffs - and they come complete in a cute matching cotton drawstring pyjama bag, ready to take on trips, to sleepover parties or just to Granny's house!

And when it's time for fresh pjs, simply pop the pyjama set on a warm machine wash, the ink completely disappears, and they'll be ready for the next adventure - colour and reuse again and again!

Our colourful unique pyjamas make the best gifts for girls and boys who love to colour and are the perfect choice for parents who want unique childrens gift ideas that are eco friendly.
