Our ball launcher is easy to use but, just in case, here's what to do in four simple steps.

STEP 1: THE EXTENSION

oh boy
oh boy
oh boy

YOU CAN DO THIS BY PULLING IT UNTIL IT'S FULLY EXTENDED.

STEP 2: THE THROW

weeeeeee

PICK UP A BALL AND LAUNCH IT. WE THOUGHT IT BEST NOT TO COMPLICATE THINGS.

STEP 3: THE COLLAPSE

aw man...

TO COLLAPSE THE THROWER, GRIP BENEATH THE CUP, AND TAP THE BOTTOM.

STEP 4: THE COVER

COVER THE END (AND THE SLOBBERY BALL) WITH THE BAG AND PUT IT IN YOUR POCKET.
