

h o n e s t

The Honest Bottle is the only reusable bottle, designed & **made locally, from recycled single-use bottles.**

CIRCULAR by Design

- Designed for **REUSE**
- Designed from **RECYCLED** materials
- Designed for **RECYCLING**
- Designed for **CIRCULARITY**

- 8 colours
- 500ml
- BPA free
- Leakproof
- Lightweight
- Easy carry loop

At the heart of our approach is a need to be **honest** – to ourselves, to the product and to our customers.

A Bottle With **PURPOSE**

The Honest Project is our initiative to increase accessibility to publicly available drinking water in every country we operate. The Honest Project is funded by sales of the Honest Bottle and contributions from collaborative partners.
