

teeny greeny[®]

the microgreens co.

Hello and welcome to Teeny Greeny's wonderland of Microgreen grow kits

I'm Alice, the creative behind Teeny Greeny and I've been on a crusade to make growing Microgreens at home as easy as possible for everyone. If I can grow these teeny but mighty greens, then so can you!

So let's start sowing the seeds and grow a greener future together.

Alice (Grower, Owner & Founder at Teeny Greeny)
