Our classic 'Christmas Red' has proved to be a firm favourite over the years. We have repeated the design from 2020, and printed it on the new improved cracker shape.

Thinking of all the family, this cracker can be a popular choice for male relatives and friends too. A perfect 'Gift for Him' and 'Her' alike.

*Ribbons are woven with yarn made from 100% recycled plastic bottles.
These Reusable Crackers come with ecosnaps®
Printed on FSC certified folding box board, with water-based inks and varnish, and fully recyclable.
