PAPER PENS

Tear off and keep a pen in your book, pocket or bag!

A set of paper encased pens that are flat enough to use as a bookmark and sneakily slender enough to slip in your pocket! Keep in the drawer or on your desk and choose one of the six lovely designs any time you are looking for a writing implement...or indeed a way to mark your page.

THE KEY FEATURES

- Simply bend and tear off whenever you need a pen!
- Comes with wax tips to prevent unwanted scribbles at retail
- Make an intriquing display and unique gift
