© Carnovsky

#### About The Artist:

- Carnovsky are a Milan based art and design duo comprising of Francesco Rugi and Silvia Quintanilla.
- Best known for their RGB project, which was first presented at Milan Design Week in 2010 and has since been showcased in numerous international exhibitions.

#### What's Included:

- 500 piece ocean themed jigsaw puzzle.
- 5 pairs of viewing glasses (Blue, Green and Red).
- Ocean Artwork Print

#### The Puzzle:

- This beautiful puzzle explores the interaction between colour and light.
- Three different images sit on top of each other, and the resulting picture is unexpected and mesmerising.

#### Viewing Lenses:

- The colours mix up and the lines and shapes entwine as your eyes try to make sense of what they see.
- Use the red, green and blue viewers included or the digital app to isolate each layer of the image, turning one puzzle into three stunning pictures!
