## UNDER THE TREE FOREST SAGE & PINE

Cool sparkling pine cones, gently dusted with a light sprinkling of frost combine with a rich gourmande aroma including luxurious spices of ginger, cinnamon, nutmeg, and clove. Refreshing notes of musk are tempered with a subtle and smooth woody base.

## FIRESIDE TALES RED AMBER & CLOVE

A warming tonic of juicy citrus fruits infused with smooth cinnamon and spicy clove, the aroma of rich creamy tonka bean, smooth musk, and golden amber completes this luxurious scent.

## DAPPLED MOONLIGHT FRANKINCENSE & MYRRH

A spicy mix of clove and cinnamon leads to floral notes of patchouli, ylang ylang, lavender, rose, and geranium. A leathery base of labdanum, cedarwood, vanilla, and musk adds a warming depth.

## SUGAR & SPICE CINNAMON APPLES

Top notes of gently simmering orchard apples, softening in a buttery pan with added spiciness of ginger, nutmeg, and cloves. Warm vanilla caramel tones underpinning the tartness of the apple, produce a mouth watering experience.

## GLISTENING SNOWFLAKES VANILLA SPICED ORANGE

A fresh yet sweet scent, with soft floral accords, heightened with a festive sparkling of sunripened, sharp, and refreshing citrus fruits, supported by nuances of warm spices gently simmering in a sweet creme brulee sauce.

## FRESH FOOTPRINTS MOUNTAIN BREEZE

Fresh zests of orange and bergamot blend with spiced ginger, cinnamon, and cardamom, with added touches of rose and jasmine. Cedar, patchouli, and amber add warmth with vanilla and sandalwood combining at the base.
