

Hotel Plaça de Catalunya

Dear Friend,

I have a message for you – it's from a friend of yours, although I can't say who right now. I had planned to give it to you in person after my trip, but that's no longer possible.

I'm in trouble. I had one conversation with a journalist and things have spiralled from there, I'm in way over my head. My phone is tapped, my hotel room is bugged and I'm not exactly sure who is after me. I'm sending you this message and going into hiding.

I have stashed your message in an online vault and left you a series of puzzles in order to work out the passcode. Your friend is going to be annoyed with me, but it's the only way I can get it to you...

Everything you need is in this envelope. The passcode is made up of 7 parts, each part is a number between 1-100. Once you have worked it out, put the code into puzzlepost.com/the-vault, using the ID **#Puzzle_ID#** and your message will be revealed.

To get you started, I would begin at BarceCafe, that's where I am writing this from.

Best of luck,

Lucy K

*Hopefully, you can solve this alone – but if you get stuck I have left some hints at puzzlepost.com/clues/the-missed-flight.
