

GREENS & GREETINGS

Customer feedback

"Brilliant idea! My mum loves growing things, and it'll last longer than a card. Great service and a brilliant product."

"We sent this to our Aunt who we haven't seen since the start of lockdown. She was thrilled to bits to receive something so thoughtful and unique. Wouldn't hesitate to recommend. Great product, great service."

"Such a lovely and original treat to receive through the door! We will look forward to seeing it grow."

"My wife received this as a birthday greeting from her sister. The instructions were clear and within days the salad leaves had grown to provide a lovely garnish for her birthday sandwich. A colourful, eco and tasty treat!"

"I enjoyed having my 'Mum in a Million' greeting on the windowsill and it was nice to see the shoots quickly emerge...it's a lovely idea and I recommend it!"

"Great idea to send loved ones a message and gift they can watch grow."

"Fantastic - something different. My friends loved them."
