## PRICE AND PRINT SWATCH LIST

*34 captivating designs  
for every occasion!*

### REUSABLE & REVERSIBLE FABRIC WRAP

MADE FROM 100% RECYCLED PLASTIC BOTTLES

- + Size: 68cm x 48cm (same size as a sheet of wrapping paper) with sewn-in colour co-ordinated tie and anchor button.
- + Wraps just like paper and sounds like it too!
- + Reversible with a unique print on each side. To use the reverse print, just thread the anchor button and cord through the discrete slit.
- + Easy to use, everything included and reusable. No need for scissors or 'single-use' tape.
- + Wrap small gifts too, just add an extra fold or two.
- + 12 waste plastic bottles recycled to make each wrap.

### FABRIC INFO

100% traceable waste recycled plastic bottles. Inner crackle made from 100% biodegradable cellulose. The fabric is washable and can be ironed on a cool setting.

### OUR PRINTS COME IN 6 UNIQUE THEMES

- 01. Monochrome** - Our Homage to the Optical Art Movement.
- 02. Threats to Humanity** - Looking to the Future.
- 03. Guilt-Free Glitter** - Sparkles with no Micro Plastics.
- 04. Immense Pride** - Respecting and supporting inclusion.
- 05. The Natural World** - Celebrating it's visual natural beauty.
- 06. It's Christmas Time!** - For a festive feel.

### EASY TO DISPLAY

Our fabric gift wraps come in easy to display and well presented packs for your customers.

Each Reversible Crackle Wrap comes in thought-through minimal packaging. We have designed out any surplus elements and printed on recycled card with eco inks. Each wrap is packaged in a double-sided wraparound sleeve. It can be stacked, stood upright or displayed using the euro slot hanger.

The comprehensive packaging text covers how to use the product, company and product ethos, our 'Refurbish n Regenerate' initiative and even a pop & snip out Message Card printed into the inside.
