## BABY'S FIRST & FAVOURITE TOY

stimulating each of his senses  
for more than 55 years

Dark spots provide visual stimulation for Baby.

A unique and easily identifiable smell.

Made from 100% natural rubber, a comforting texture for Baby.

Light and easy to grip even for Baby's small hands.

Squeaks when pressed to stimulate Baby's hearing.

Soft and bumpy parts to soothe Baby's sore gums.
