

THE articulate[®] GALLERY

The award-winning Articulate Gallery is a special picture frame to help you showcase the creativity of your children in a fun and functional way.

Hang this classy frame where everyone can see it, then simply slip your child's pictures inside. Voila! instant art that you can change as you feel like it or whenever the next masterpiece is created.

Just think how proud your children will be when they see their art in their very own frame.
