# BAR chocolates

by **MOTIF**

A collection of exquisite,  
barrier coated confectionery  
inspired by our favourite cocktails

Carefully curated for the most discerning chocolate lovers, our bitesize, cocktail inspired confections are the perfect after dinner delicacy.

Natural ingredients are at the core of our four launch flavours, with fiery ginger, peaberry coffee beans, juicy cranberries and plump raisins taking centre stage.

Sustainably sourced & ethically produced, our tins are recyclable but beautiful enough to keep and re-use, while our NatureFlex™ bags, made from renewable wood-pulp, are home compostable.
