

Tis the season to bake and be jolly!

If the Grinch could not steal the magic of Christmas, then nothing can! The heart of Christmas, wherever you are or whoever you spend it with is all about wonderful traditions. Embracing the old and celebrating the new!

For us, it is about creating the perfect aroma of Christmas, the trees, the spiced candles and the delicious kitchen scents from Christmas baking.

We are delighted to launch our brand-new range for Christmas 2020. This range is both whimsical and delicious and we hope you will incorporate them into your own family traditions to get into the festive spirit. Along with the Christmas Baking kits, we also have several personalised stocking fillers that make the perfect gift for those near and far.

THE RANGE

PERSONALISED BAKING ACTIVITY KITS
